Empowered is still the unluckiest superhero ever but she actually does more good this time than in the last volume. Really like the more story driven chapters in this, with a possible love triangle between Emp, Thugboy, and Ninjette, to Ninjette's past coming back to haunt her. Empowered, Volume 2 (Empowered, #2) by Adam Warren Empowered returns for further misadventures, as a distress-prone girl wonder struggling with life on the superheroic C-list Clad - or unclad, as fate would too often have it - in her embarrassingly revealing and maddeningly unreliable supersuit, she fights a neverending battle against overly sensitive supervillains, irrationally envious superheroines, and her own body-imag. Empowered: Volume 2. - Free Online Library The second volume starring the barely clad exploits of an aspiring but less than impressive super heroine who calls herself 'Empowered', writer/artist Adam Warren continues to demonstrate a superb sense of wit, whimsy, and humor that ranges from slapstick to gallows. "Empowered" is a compilation of.
